

San Diego Velodrome

Approved Motorpacer Policy*

To become an approved Motorpacer (unless a USAC licensed motorcycle referees/riders during USAC events)

Motorpacer seeking approval shall email approval request to the SDVA Board at info@sdvelodrome.com with their request to become an “approved motorpacer” showing

1. SDVA Membership

AND

2. Appropriate training:

A. Be mentored for a minimum of 5 hours of motor pacing by a previously approved motorpacer, during which the mentor must be present and the track limited to a small number of riders with 3+ years track experience.

OR

B. Demonstrate 1 year minimum motorpacing at another track.

AND

3. Demonstrate Skill:

A. After demonstrating appropriate skill, be approved by 2 existing motorpacers (one of which can be the mentor)

OR

B. one existing motorpacer and the SDVA BOD, who may seek counsel from experienced riders and coaches.

Once Approved, Motorpacers must

1. Maintain and show proof of \$1 million liability Insurance with Certificates naming both as additional insured:

a. City of San Diego, Its Officers, Employees, Agents, and Assigns, 202 C St., San Diego, CA 92101, AND

b. San Diego Velodrome Association, Its Officers, Employees, Agents, and Assigns, 2221 Morley Field Drive San Diego, CA 92104

OR

Motorpace only at an event covered and approved by the SDVA Board (Approved Racing, Approved Classes, Approved Clinics)

AND

2. Annually certify that their motorpace bike is in good mechanical condition and is safe to ride on the track

AND

3. Agree that they will immediately remove the bike from use if they see any unsafe conditions

AND

4. During training, the motorpace rider must defer to any members who do not wish to be on the track at the same time as the motorpace bike
